

2023 ROUND UP

Dear Valued Staff, Clients and Supporters,

As we reflect on the closing year, we would like to express our heartfelt gratitude for your outstanding contributions and steadfast partnership. Your hard work and commitment have been pivotal to our success and we extend our sincerest appreciation for your dedication and collaboration. Together, we have achieved great milestones and we are excited for the possibilities the future holds. Wishing each of you a joyous holiday season filled with love, laughter and well-deserved rest. Here's to the collective achievements of the past and the promising opportunities ahead. Thank you for an incredible year!

Ben L'Estrange
Managing Director

THE RTL TEAM CELEBRATED
A YEAR WELL DONE AT THE
ANNUAL CHRISTMAS PARTY

Staff Recognition

Congratulations to the outstanding staff members who have been honored with awards this year!

Tradesman of the year - Ben Twigge

Apprentice of the year - Kennedy Stone

Office Support of the year - Sarah Rother

Manager of the year - Rhys Luke

Congratulations to our Construction Team who were awarded the Most Valuable Player at this year's Kane Construction's awards evening

Anniversaries

Cheers to 75 years of success! RTL Trades is stoked to hit this milestone as a family-owned and operated business. Their legacy of innovation and integrity is what makes them rock in Brisbane and the surrounding areas. Over seven awesome decades, RTL Trades has kept evolving and exceeding expectations. Here's to many more years of delivering top-notch services and keeping the good vibes going!

10 YEARS!

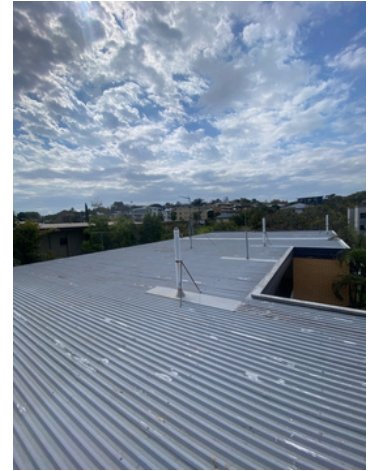

This year we also celebrated the 10 year anniversary of not just one or two people but FOUR. Congratulations

Jo Butterworth
Nigel Bielby
Dale Londy
Morgan Gassman

Works completed in 2023

Roof Replacement Vita Nova

Safely completed in November of this year, our team successfully replaced the roof at this three-story residential apartment complex.

BEFORE

DURING

AFTER

Residential – Renovation & Repairs Holland Park

Collaboratively, our Building Team, supported by our Plumbing and Electrical Teams, is diligently transforming our client's residential vision into reality.

Emergency Electrical Make Safe & Repair Morningside

Our Electrical team swiftly responded to a power outage caused by a crane damaging the main power supply to the property. In just 48 hours, we successfully restored full power to the premises..
